Glenn R. Smith, Reg. No. 38,308

AMENDMENT

Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231

Dear Sir:

This responds to the Office Action dated January 19, 2001, for which the time for
response has been extended one month through May 21, 2001. Please amend the application as
follows.

In the Claims:

Please amend claims 4, 6-9, 16 and 32 as follows:

21 4. (Amended) The electrical wiring assembly of Claim 1 further comprising a face plate
having a protruding tab, said module having a corresponding catch so that said face plate
removably snaps onto said module front cover when said module is in said installed position.

22 6. (Amended) The electrical wiring assembly of Claim 1 wherein said module further
comprises a module keyed portion of said back cover, said module keyed portion corresponding
to a wiring panel keyed portion, said module keyed portion and said wiring panel keyed portion
insuring the proper orientation of said module in said installed position.
